PADI

NOVICE DIVERS: We offer PADI certification on board for novice divers, as well as refresher courses. And if your clients are not certified SCUBA divers but have always wanted to give it a try, an optional onboard *Discover SCUBA Diving* class is available to get them started.

EXPERIENCED DIVERS: Depending on their itinerary, your clients can choose from a number of optional excursions designed specifically for experienced certified divers. They can discover Bora Bora's extraordinary undersea beauty, dive among scalloped hammerhead sharks in the Marquesas*, enjoy a rare opportunity to explore the outer reef of Rangiroa - called "God's Aquarium" by experienced divers - and more.

Space is extremely limited aboard our deluxe small ship, so book their dream diving adventure today!

**The Marquesas Islands are among the best diving spots in the world. The Gauguin offers your clients their only opportunity to explore the underwater world of the Marquesas, as there are no dive centres in these remote but pristine islands. Diving in Marquesas is for experienced divers only.*
